Reference to: Docket # L00000D-04-0127
Case # 0127
Title - West Valley North 230 KV Transmission Line Project

Dear Committee,

We own 30 acres on Sun Valley Parkway and approx. 192, north of Bell Road.
Parcel # 503-78-007JK
Parcel # 503-78-007K3

We are very opposed to the APS Preferred System Option. It seems to us it would disturb less property owners and property values if it were built on option #2, not the Preferred System Option. The McMicken Dam property is there and unbuildable. Why not put it there?

If however, you are set on the Preferred System Option, I would please ask the Corporation Commission to grant APS the maximum corridor width to allow flexibility when locating the final alignment.

Thank you so very much,

Judith F. Schroeder
